FACULTY AND ADMINISTRATION

A man in his maturity is many men.

To a treasured few he is husband, father, grandfather; to a wider circle, he is friend, colleague, trusted leader; to the many he is a respected name.

But even as he embodies these roles, so he shapes his being about a central purpose.

For Blair Knapp that larger goal was ever the welfare of this college. To Denison he gave himself.

He indulged in no self-pity for wearisome nights and days spent far from home.

He uttered no complaint at hard decisions and frustrations.

He sought no special praise for a job well done.

He set no higher standard for others than for himself.

Amid the trials to which we too often contributed, he kept the greater interest of this college always foremost.

Future generations may honor him chiefly as "the greatest builder in Denison's history."

And surely he took the keenest delight in following every step in the construction of the fifteen buildings erected since 1951.

But to him bricks and mortar were never ends in themselves.

They were means to a superior education for more students.

They were as much a part of the "Greater Denison" as the more efficient administration, the more able faculty, the more talented student body that were his constant objectives—and his enduring achievement.

Administrators, faculty, students—the Denison community—

If we caused him pain it was because we fell short of the high hopes he held for us;

If we brought him joy it was because he took pleasure in our every accomplishment;

If we honor him we will face the troublous times ahead courageously.

For this College became his life, and through it he lives.

FOOTBALL (Won 6, Lost 3)

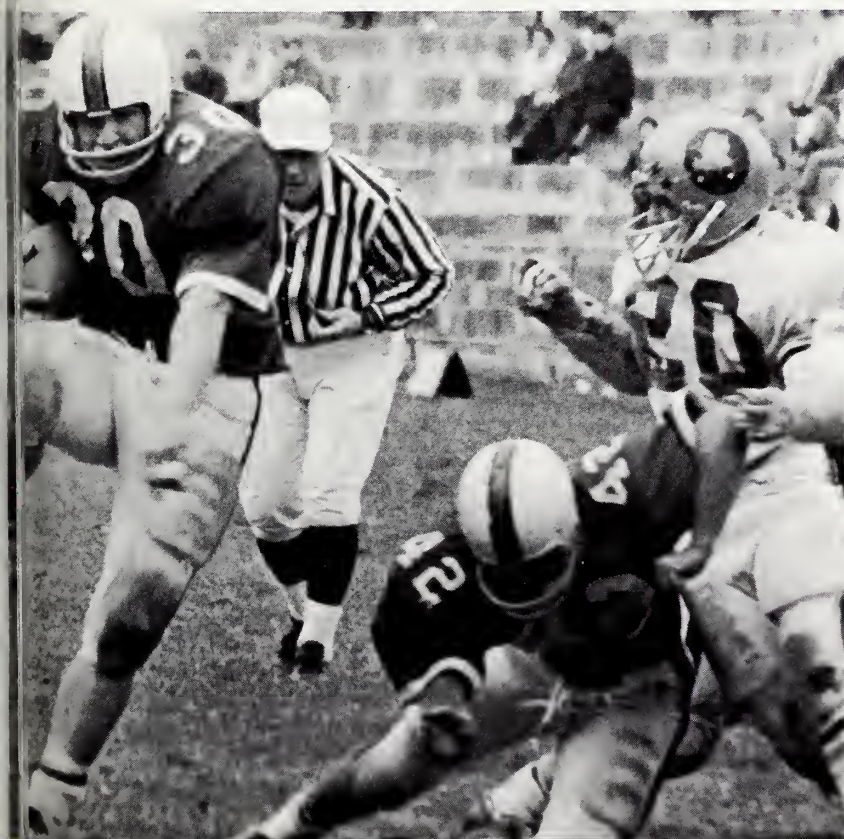

A Brilliant defense and a sporadic offense were the keynotes of the 1967 Big Red football team. Coach Keith Piper's squad registered a 6—3 season, the third such season in the last four years.

Denison's stubborn defense was spearheaded by linebacker George Stephenson, whose jarring tackles stopped many opposing ball-carriers.

The offense, at times effective and at other times frustrated, was led by quarterback Dain Birkley, captain Eric Ivary, and by the fine pass-catching of end Dan Kreer.

SOCCKER (Won 6, Lost 5, Tied 2)

The gun shot of the final game against Wittenberg ended the season with a 6—5—2 record. Although this victory may indicate that the season was a magician's "pull-it-out-of-the-hat" trick, it certainly doesn't explain it. The first half of the season was full of hope with a 4—1—1 record. Last year's graduating class left many gaps in the starting line-up, but they were capably filled by sophomores Mark Weinrott, Mike Martay, and Bob Burnham, junior Kip Obletz, and seniors John Griffin and Bruce Hoeft.

Yet, soon, mounting injuries, which exceeded those of other years, and the inability to score seemed to reverse our trend. The season went downhill until the final two wins against Miami and Wittenberg.

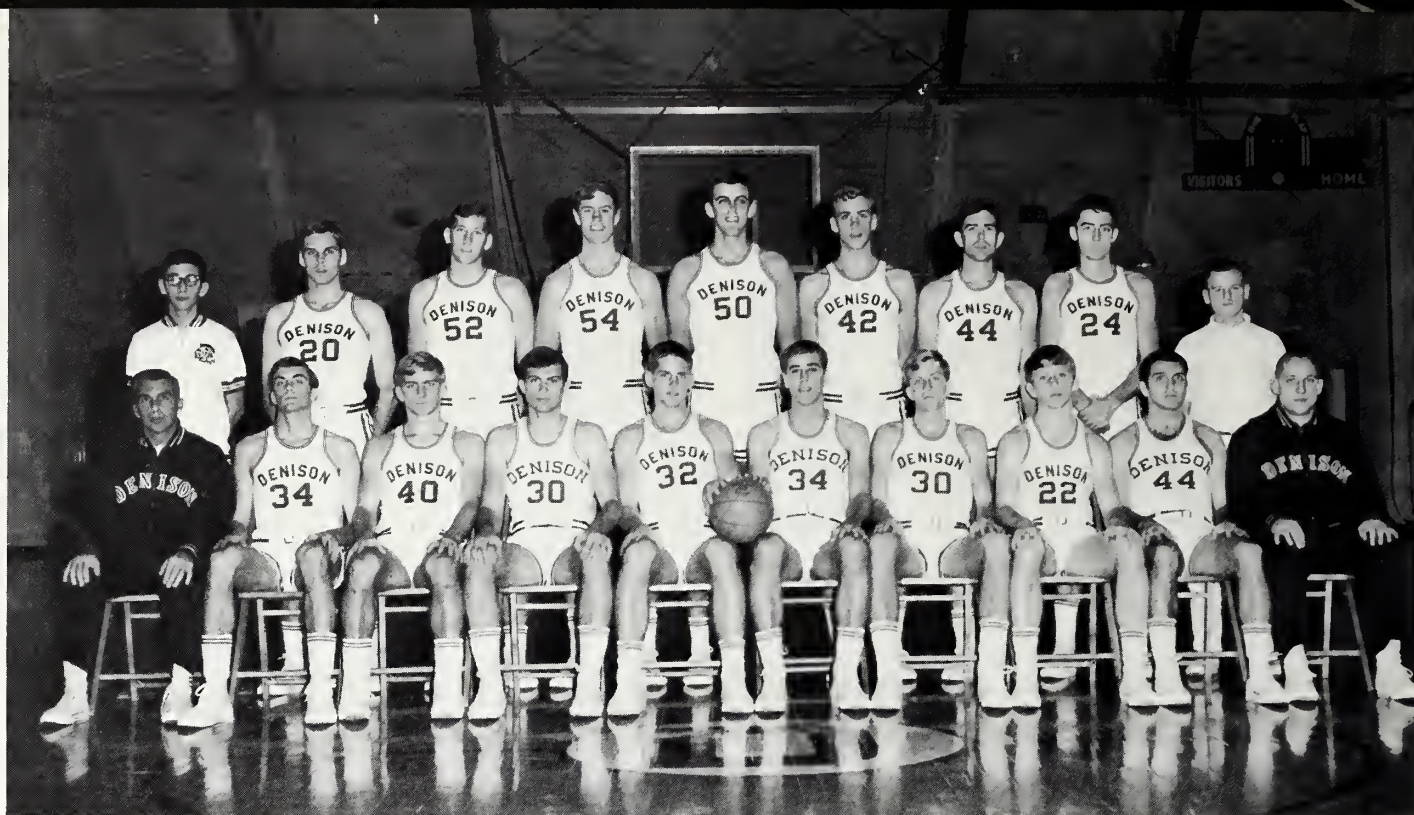

The most disheartening game, which was typical of the slump, was against Ohio State. The team outshot its opponents, but lost in the final quarter 3—1.

The season highlights included Denison's first game under the lights of Ohio Wesleyan, which

resulted in a 5—3 victory. Another was the amazing comeback at Miami. Denison was down the first quarter 3—1 and then came back with scores by Hartmann, Arnold, and Hoeft. The game ended with a 6—4 victory for the Big Red.

*Ohio Conference Tournament

**NCAA Mid-East Regional Tournament

The team started the year with a goal—the Ohio Conference Championship.

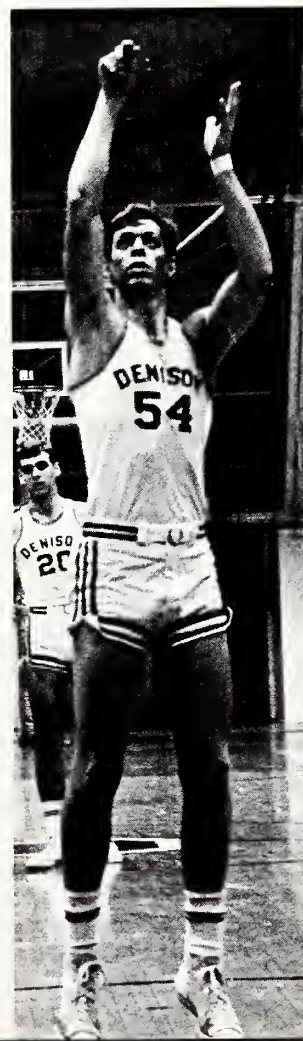

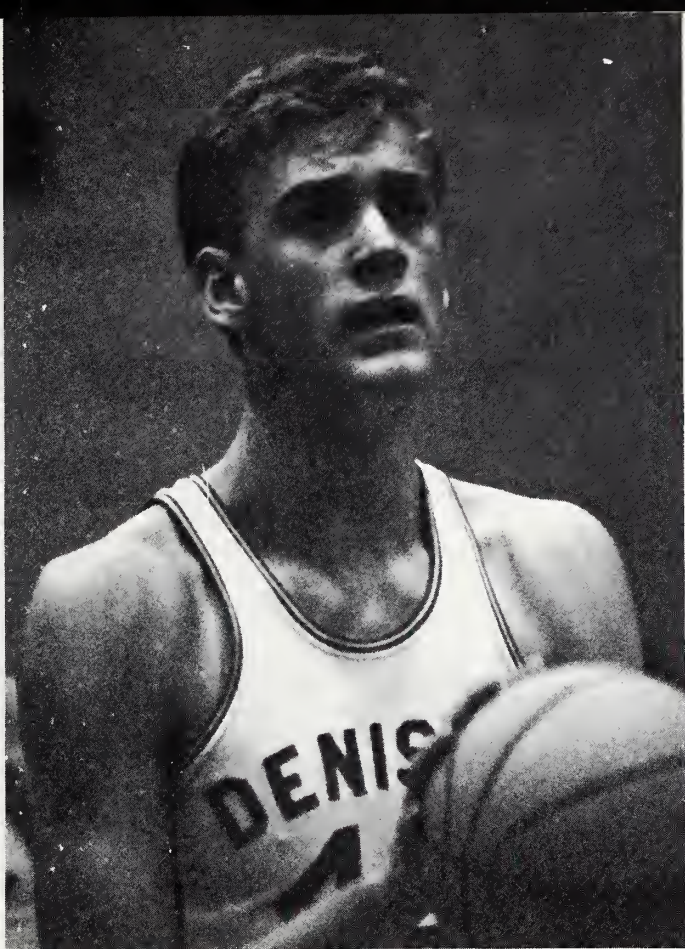

But the season started with a loss to Baldwin-Wallace, and two games later, a loss to Ohio Wesleyan. But, following Christmas vacation, the team began a string of fourteen straight wins that brought the Ohio Conference Championship and a berth in the NCAA College Division Mid-East Regional.

Along the way the Big Red picked up Coach Dick Scott's 100th win, two first team all-conference picks in Bill Druckemiller and Charlie Claggett, and an Ohio Conference record for field goal percentage (67.4% against Baldwin-Wallace in the championship game).

The season also saw a tremendous increase in the spirit of the fans. Few who witnessed the games at Wooster or Baldwin-Wallace will forget the lift the crowd gave to the team.

This was the last year for three seniors: Bill Duckemiller, Karl Bolstad, and Tom Demo, who had become familiar to Big Red fans. But although they will be missed by the team, there are many experienced replacements ready to fill in.

WRESTLING (Won 7, Lost 2, Tied 1)

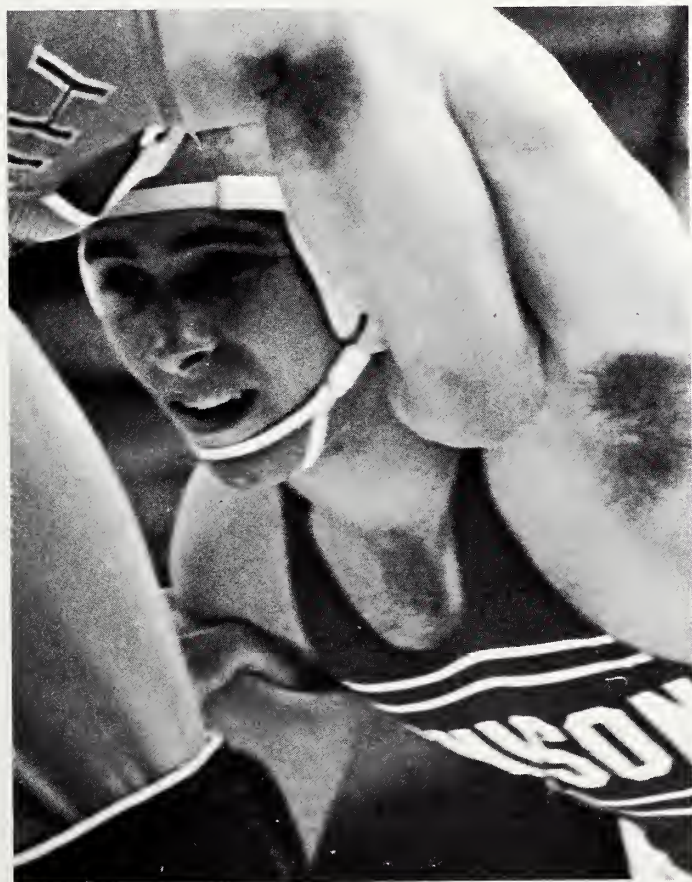

The Big Red wrestling squad started the year as a team in the process of "learning." They learned a lot by March and easily walked away with the OC Championship.

The grapplers placed third in the Ohio University Quad and then took a first in the nine-team GLCA Conference. In dual meets the team won four straight before losing 19—17 to regular-season winner Muskingum. Tommy Thomsen's crew handily defeated Hiram, a traditional power in the OC 25—14. Two more wins over Otterbein and Wittenberg followed. Ohio Wesleyan fought the Big Red to a draw and a long road trip to Baldwin Wallace ended in the second defeat for the wrestlers.

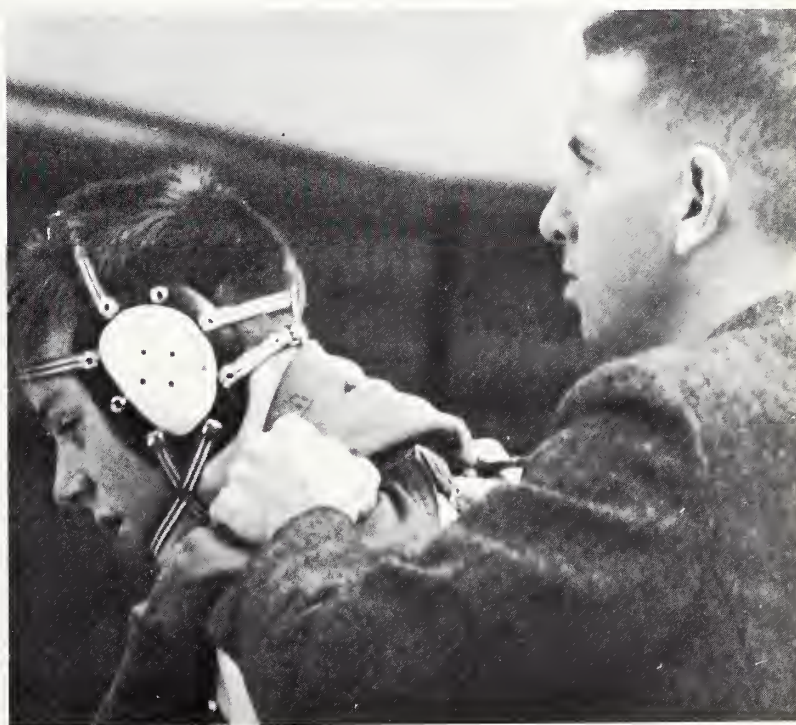

The story had only really begun. The team went into the Conference Championships and won the whole show before the finals. Four wrestlers won individual titles—Gordy McAlpin, Mike Schrage, Jack Hilbert, and Wayne Minich.

Schrage and Hilbert were co-MVP's and Rod Borrie was MIP. Pete Weed and Minich are next year's captains, and with the only loss being Jack Hilbert, the Big Red has a tremendous start toward defending their title.

SWIMMING (Won 8, Lost 3)

After racking up a dual-meet record of eight wins and three losses, the swimming team made its best showing of the year at the Conference Championships. With each man bettering his time, the Big Red walked off with second place and avenged two of its losses, to Wittenberg and Oberlin, while giving perennial champs, Kenyon, a run for their money.

Led by graduating senior Hugh Wilder and Rick McBurney, who together counted for 64 points, the team ran up a 319 total. Wilder captured Denison's only first places in the 100- and 200-yard backstrokes and swam on both relay teams. After missing the first part of the season due to an ear infection, McBurney finished 3rd and 2nd in the 100- and 200-yard butterflies, 5th in the individual medley, and sparked the medley relay in his specialty. Support from an outstanding group of freshmen contributed to the success of the conference meet. John Reister and Tom McNamara

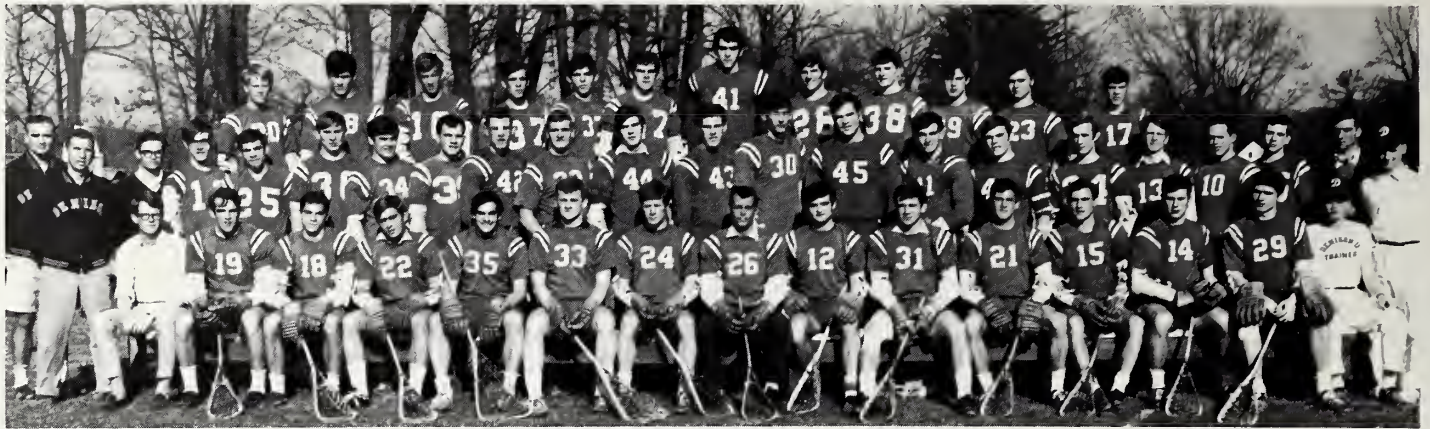

both placed in the top six in two events, and Myron Powelson and Barry Vermeeren placed in one. Junior Kent Castle placed in one, as did Steve Shimp, whose performance earned him the award for Most Improved Swimmer. The divers also made a healthy contribution as Freshman Cliff Hathway and Junior Bill McNerney took 2nd and 3rd respectively. Both the medley team of Wilder, Powelson, McBurney, and Baker, and the freestyle relay team of Eifrig, Wilder, Ladue, and Baker placed third while setting new Denison records.

The team will miss the graduating co-captains Hugh Wilder and Rick McBurney. Rick, workhorse in the grueling butterfly for four years, achieved All-American status two years and holds three school records. Hugh has dominated the Conference in the backstroke events for four years. He is also an All-American, holds six Denison records, and was voted Most Valuable Swimmer this year.

LACROSSE (Won 10, Lost 1)

The Denison Big Red lacrosse team successfully defended its Midwest Lacrosse Association title by amassing a 10—1 record. Coach Tommy Thomsen's second league championship in as many years was the result of an undefeated league schedule with the team's only loss suffered at Chestertown, Maryland, to a Washington College powerhouse.

The highlight of the 1968 season were two big victories—one over Ohio State (12—9) and the other over Oberlin (5—4) in the last game of the season. A keynote to the teamwork of the Big Red ten is illustrated by the tying of the record for the most assists in a season (86). The other record broken by the 1968 team was a career scoring record by All-American Captain Paul Doty with 174 points.

At a post season awards banquet, defensemen John Stapleford and Jerry Stacy were awarded the Most Improved Player Award, Bill Lewis captured the George Parks Memorial Award for the best defenseman, and Paul Doty received the Most Valuable Player Award for the second year in a row. By the end of the season, it was learned that

seniors Bill Lewis, Dick Rieg, and Paul Doty had been selected to play in the North-South All-Star Game. This marks the first time any Midwest team has ever sent more than two players.

With standout captain-elect Bob Martin returning as goalie, the Big Red looks toward another championship in 1969.

TRACK

Despite its win-loss record, the 1968 Denison University track squad showed a great deal of individual strength throughout the season. Led by co-captains Jim Kirk and John Rudisill, Denison placed third in the Ohio Conference indoor championships and seventh outdoors. Kirk was in the conference limelight for the first time. Breaking three school records, he won the conference indoor half mile and was second outdoors. Rudi continued his winning ways by taking the OC two-mile indoors and copping a second in the three-mile outdoors. Kit Fox and Dave Osborn provided steady strength in the hurdle events. "Ozzie" was the indoor high-hurdle champ and broke the Denison record in the 440 intermediate outdoors. Freshman Neil Smith rounded out the 100-point-plus scorers. Neil scored consistently in the 220 and the 440 and shows great promise for future years.

Bill Hewins, Flip Whalen, Dave Ford, and Jeff Valentine were also steady scorers in crucial meets. With the desire and will to work that this year's squad showed, the outlook for next year seems good.

CROSS COUNTRY (Won 8, Lost 1)

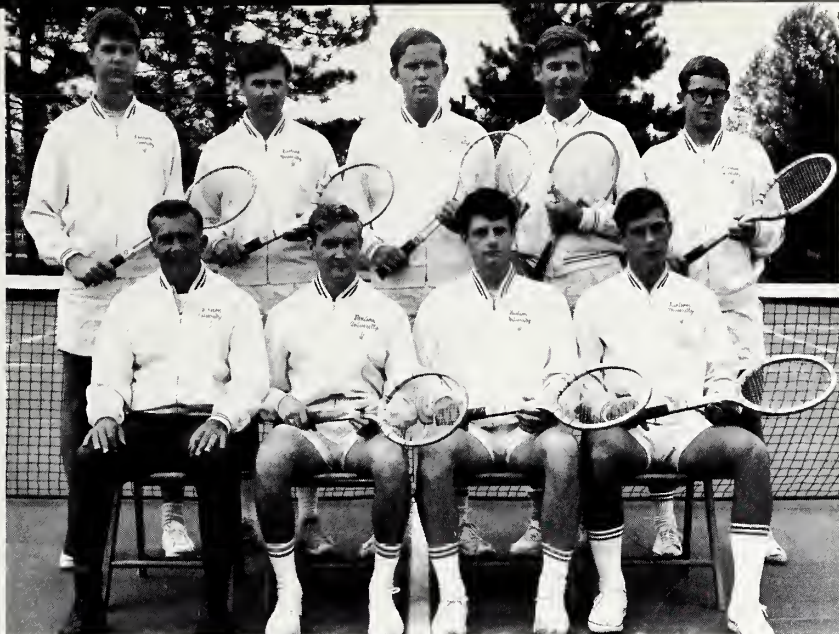

This year was one of both success and disappointment for the Denison Cross Country team. Reporting to school early, the squad ran twice daily preparing for the season. For the first time, the individual members felt the confidence and optimism that comes with hard training. With the opening of school came the addition of several promising freshmen, notably Ohio record-breaking half-miler Tom Birkbeck, Russ Swank, a strong, hard-working Pennsylvanian, and Jeff Valentine, distinguished Connecticut two-mile State Champion. Veteran upperclassmen Flip Whalen, Bill Henceroth, Dave Weston, Bill Hausler, Dave Budzinski, Keith Morrow, and Captain John Rudisill rounded out the squad.

The team opened the season with an impressive victory over Muskingum (38—23). Dr. Seils' machines rolled up a 7—0 record against Ohio Conference foes before a heartbreaking one-point loss to Capital. The Big Red came back in less than a week with an exciting victory over Great Lakes Champion and conference favorite Ohio Wesleyan, ending the regular season with a near-perfect 8—1 record. With hopes high for NCAA competition, the runners worked feverishly in preparation for the Conference Championship. Running on the four-mile Wooster course, the harriers finished a disappointing seventh.

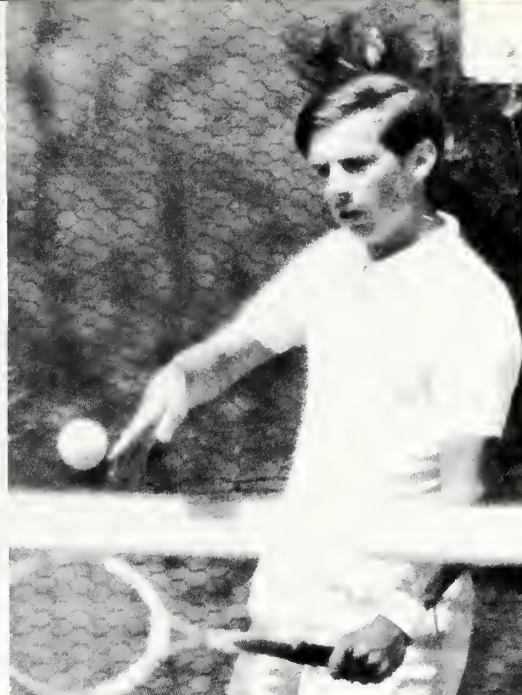

With all varsity runners returning, the Big Red is anticipating an even stronger team in next year's bid for conference leadership.

TENNIS (Won 7, Lost 1)

The 1968 Denison tennis team posted a 7—1 season highlighted by a 3rd place in the GLCA Tennis Tournament and the second consecutive 1st place in the Ohio Conference.

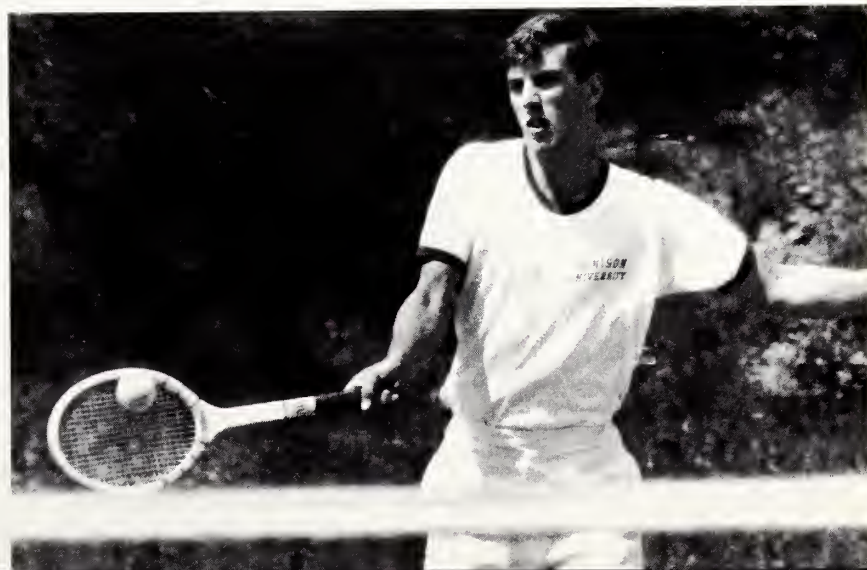

The season opened with an 8—1 victory over a relatively strong Wooster team. Only one other match followed Wooster before the Big Red tennis team traveled to Kalamazoo, Michigan, for the GLCA Tennis Tournament. Denison captured 3rd place behind DePauw and Kalamazoo. Denison's number one singles player, co-captain Mike Barr, dominated the tournament by winning the number one title and losing in the finals for the number one doubles title as he teamed with the number three singles player, Bruce Matthews. Craig Dripps, the number two singles player, lost in the finals of his round.

The remainder of the season was victorious,

except for a disappointing 7—2 loss to Oberlin.

The OC Tennis Tournament was sweet revenge for the Big Red as the team bested Oberlin in the final standings 20—18. Going to Mike Barr was a fitting climax to four years of playing number one for the Denison tennis team—his second number one flight OC tennis championship. Craig Dripps played outstanding tennis as he beat Oberlin's number two man who had beaten him only one week before. Number three player, Bruce Matthews, overcame his opponent to clinch the number three title. Number four, Geoff Verney, lost in the finals. Number five player, co-captain Pete Edwards, lost in the semi-finals, and Bill Jack won the number six flight title. In doubles Barr and Matthews won the number one position and the second and third doubles teams of Dripps and Edwards and Jack and Bishop lost in the semi-finals.

BASEBALL (Won 5, Lost 8)

Denison University's baseball team did not enjoy a particularly successful season, finishing with a 5—8 record. However, there were several highlights, both as a team and in individual performances. The Big Red started the season in fine style with a tremendous 14-strikeout performance by Dick Montgomery, defeating Oberlin 6—1. However, Muskingum defeated the team in a double-header the next weekend.

Several individuals enjoyed outstanding seasons. Rod Poetter, who batted .386 for the season, was rewarded for his efforts by being named the team's honorary captain, Most Valuable Player, and was named to the first-team Ohio Conference baseball team. Tom Demo, who hit .342, was named to the all-conference second team. Tom Oldham, .375, and Bill Miller, who led the team in runs batted in and was named Most Improved Player, both contributed significantly. Dan Lewis led the Big Red in wins with three, and Dick Montgomery was one of the league-leaders in strikeouts with 50. Denison will miss several senior lettermen next year—Poetter, Demo, Bill Kocher, Pete Oldham, Woody Dill, and Charley Barnes. However, a strong returning list of lettermen should lead the Big Red to a more successful record next year.

GOLF (Won 8, Lost 0)

For the second straight year, the Big Red golf team went undefeated and won its third straight Denison Invitational Best Ball Tournament as well as its third straight Ohio Conference Championship.

The season was highlighted by such things as Gavazzi and Johasky taking individual honors at the Invitational, Davison's 73—73—146 second place finish in the Championships, and more importantly, coming from an eleven-stroke deficit at the end of the first 18 to a five stroke victory at the end of the Ohio Conference Tournament.

Prospects for next year's team are encouraging, even though the team is losing four lettermen. Under the leadership of captain-elect Johasky and Coach Seils, as well as a bumper freshman crop, Denison again will be an Ohio Conference power.

ΑΧΩ

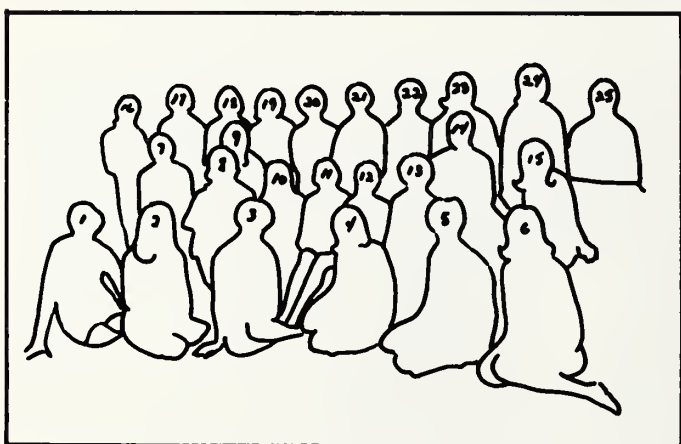

Rain and delayed rush, the challenge of the tense weeks before pledging, new faces, new names and new people—this was the beginning of a full year, a special year for the Alpha Chis. The excitement was steady and strong between pledging and initiation as the actives bravely struggled under the enthusiasm of the freshmen—Christmas stockings, an auction, fun and games, and twelve-foot palm trees in the living room. "Hell Week" proved once again to be harder on the actives than it could ever be on the pledges and as usual, a sigh of relief was felt by all when initiation was realized—and so we grew. Elections came on the heels of initiation and with new officers and renewed spirit the coming year was faced. Spring was anything but restful. With revolts, spring weekend, Mothers' Day, firesides, rush retreats and a farewell to our graduating sisters, the academic year was ended. With enjoyment and many expectations, we look forward to the challenges of the coming fall.

The year began anew—and what could be newer than a decision on rush? Once more the carnival was OVER. But a new show?? It's unsinkable . . . Too many clowns in the pledge class anyway. But they blossomed into fall parties quite well. Christmas came with another swinging party and a gift for the bird kids: cookie-filled drums that couldn't be beat. The pledges found shoe shining to be in order—to help foot the bill for the pledge class finances. The seniors polished off the pledge formal with their wonderful scenario on "Den-of-Sin" University. Now why did the pledges give the seniors the run-around—around the football field, that is? Like active—like pledge. Initiation revealed "junior slump" and what happened to those mugs, Muttie? So what else is new? Certainly the house took on new dimensions—who wanted Mexican colors anyway? Greetings to Toni but a farewell to Connie and Janet—who's next? New officers, new actives, new house developments—how about a new piano player?

Kappa is a laugh, a tear—

“I’d like you to meet Lola, Nola, and Aretha.”

And “Someone wants to be your friend.”

Mustard on your father’s face

And “Can’t help lovin’ that Dad of mine.”

Gael directs novelty shows from the powder room?

And shares four years with us at initiation.

Breon’s spaghetti-faced pledges—“Our class won
the Bible!”

And a fabulous actives’ scrapbook inside a friend-
ship circle.

Finally, Bailey’s “Oh Radiant Flower!”

And Barbara’s sincere Kappa words.

A proud time—

Of orphans at a Christmas party.

Of Mrs. Eddy as Kappa’s “First Lady”.

Of Pam as Homecoming Queen.

Of Phi Bete Donna.

Of Kathy, Gail, and Ginny abroad.

Of Crooners to National.

Of Sisters.

Of learning and living.

A beautiful absurdity.

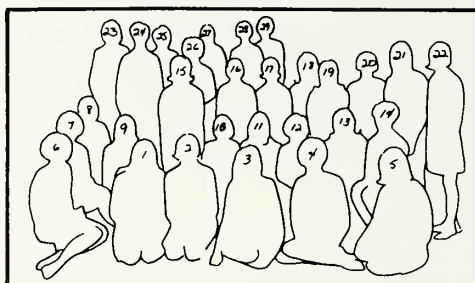

For some,

A sad ending to a new beginning.

The men of Alpha Tau Omega put in a summer's full of hard, worthwhile labor, paced by Smiling Cabellero Doug Husak who sweated blood as fireman on a diesel locomotive. ("What do I do?" "Just sit there and if you see any dead cows on the track, pull 'em off.") With the end of summer, though, the brothers were ready to return for the Good Life of Academia, a few arriving a week early to limber up Newark.

This seems to be the year of the dodge, with Karate Phil sidestepping well-aimed water balloons and Studley Ted Barret dodging well-intentioned strange girls in his Whistler hospital room. The seniors this year aren't going to be dodging anything, though, which probably inspired the 18 3.0's, a 4.0, and two Phi Bets. Sandy Stowe, with a liver-saving exercise of self-control, cut out his nightly Newark runs to cinch one of the cups.

Driven by the imagination and action of Jeff Pettegrew, the Bandersnatch Coffeehouse became a reality and a much needed change of pace on the Denison Campus. Is it true that Peds can pull in better entertainment for the coffeehouse than DCGA can for the school?

The end of two months solid of formal partying, including a Christmas Party which wound up and all-school Gathering, was celebrated by the Hell's Angels party and a sigh of relief. A chapter meeting was held the following Sunday evening.

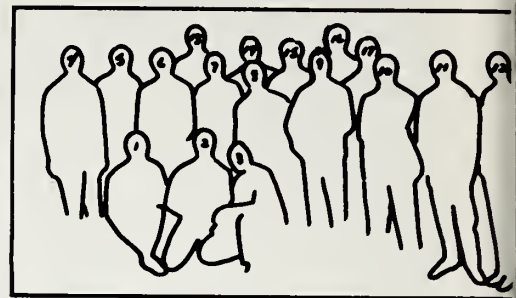

As always with the coming of spring, Dr. Schaff will probably find his lawn mower missing again. Has anybody seen the new hedge? Wait a minute, there it is. Don't forget to keep it trimmed, Mole.

Despite injuries to Mark Weinrott, devoting a second semester sabbatical with the Philadelphia flyers, and Mike "El Gato" Donough, who lands on his ankles instead of his feet, the men of ATO contributed many memorable moments of agony and ecstasy on both the varsity and IM fields. In addition, Al Dick, after hundreds of hours of painstaking research, data gathering, and stoically using himself as his own guinea pig, has concluded that IM's and booking are totally incompatible. How Virg plans to use this information has **not** been concluded.

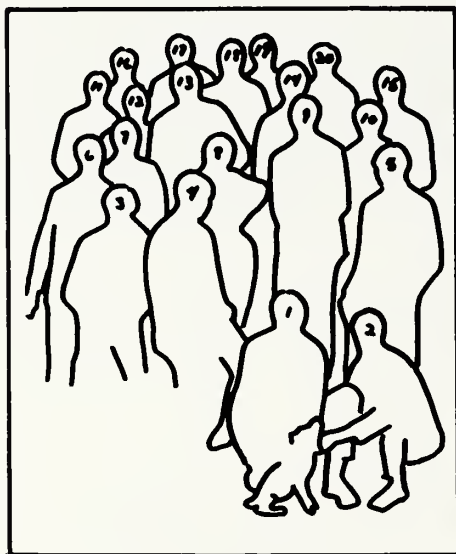

All in all, it was a very good year. And Al Drewsen was ready for it.

The word was "Fifty more!" as the brothers of ACC returned to the campus in the fall of '67 for the house's fifty-first year at Denison. The annual pre-rush renovation was highlighted by Chick, the foreman, and Buddha, the mortar forker, in the "outback", and the paint squad inside. Rush brought us the infamous "Dirty Dozen", and the Ack-Ack house settled down (?) for another year of the fraternity experience.

Who could forget . . . the speedball team marching undaunted to the IM field . . . the great carpet fiasco . . . cowboy billiards at 4:00 a.m. . . . But all good times must come to an end, and so, as the Heermobile sinks slowly in the West, we bid a farewell to these insane memories and to the graveyard across the street, and head for Tony's to get primed for next year.

In the fall of 1967 the Brothers of Alpha Eta of Beta Theta Pi returned to a beautifully remodeled Chapter House and prepared for the coming year. When rush ended, our number had been strengthened by more than thirty, a fine pledge class. The Beta House had once again reached its high point in enthusiasm and spirit.

Marching Along in Beta Theta Pi meant numerous achievements for many, some of them an integral part of our tradition. The House again maintained a substantial lead in Intramural Sports. Football standout Dain Birkley proved himself equally proficient as a poetic Santa Claus to top off a festive Winter Weekend. These memories and others, such as the always enjoyable Big Brother Banquet, will undoubtedly live on in the hearts of Betas.

In the Denison community Beta Theta Pi proved itself a fraternity of outstanding individuals. Wooglin's Men held many positions of leadership, including eight Junior Advisors and Head Residents, the Chairmen of Auto Court and Men's Judicial Council, the Potentate of Theta Eta Chi, and twenty-two varsity lettermen. This testifies well for the House's diversity and interest in all facets of campus activity.

Alpha Eta men look forward to another good year. The graduates of 1968 will long be remembered as one of our finest classes and will truly be missed. But we foresee an even better year in 1968-1969, the year of our Centennial Celebration and the beginning of a second century.

With pins falling as fast as the house accume and "Fast Bill" living up to his name, it was another good year for Bill Butler's boys. Our relations with the national were strengthened by winning the Most Outstanding Chapter trophy. Holding the National Conference at the Augusta National would have saved Brother Butler postage.

Socially, Armistice Day, two birthdays, a pile of mattresses and hot bagels, made the year a memorable one. Then there was the big night, Orchid Formal, with Schman, Sherm, Bemis, Randy, Beetle, and Jim—the night they all came back and saw Duck-woman reign as Orchid Queen.

Better than 25 more varsity letters, seven starters in football, and an O.A.C. wrestling champ kept DU's firm gold on athletic distinction. But the Gaper

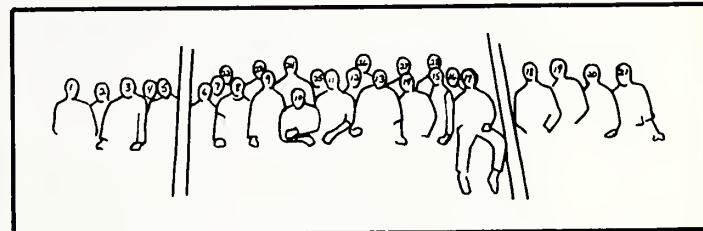

Bowl proved all our interest in football isn't displayed on Deeds Field. This year, under coach Everett and co-captains Jim and Wes, Bronco-busting became a house sport and the ever popular Masochism game (more than two can play) won new adherents. In games that only two can play, Hand Charlie holds the foul shooting title.

But college is not a climax in itself. Believing our liberal arts education is to us for the future, our seniors (five of whom will somehow graduate with honors) cheerfully formed Kobe's Kommandos, also known as the "Desert Mice". General Hershey dartboards are selling well, and Dow Chemical has been contracted to make napalm warheads for the darts. "Lord, what fools these mortals be."

Denison continued to be engulfed in the Green Wave as the Choppers made themselves known to the campus one way or another.

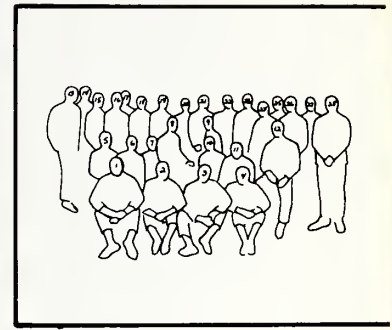

President Q led Denison to a step for liberal education by getting no hours for women passed. He was aided by Speaker Boothy and Chairmen Jocko, Arty, and Negs. Lark as head of the Student Health Committee led an unsuccessful bid to have Whisler condemned.

Father successfully led the Denison Christian soldiers this year. Mr. and Mrs. Bushy have taken over his position and will continue to carry on this fine Lambda Chi tradition.

Jocking it up for the Chops were CJ as soccer goalie and lacrosse attack, swimmer Boggsy who suffered a head injury throughout the season, OAC wrestling champ Gordy and wrestler Tro who was in on more pins than anyone else in the conference. The chop house spent its surplus athletic ability battling the Beta's for top spot in IM's.

The brothers enjoyed several social functions, most notably the Toga Party which was fashioned after the decline of Rome when justice was dead and Bacchus reigned supreme. Everyone dressed in togas, munched on grapes and dates, and generally had a good time.

After an extensive summer of parties and other constructive phenomena, the bothers of Phi Gamma Delta returned to the Denison campus to fulfill their perennial obligation to school, fraternity, and self, filled with visions of some vague upward march of humanity (which is becoming increasingly vague).

After four weeks of general disorientation, we finally responded to the call of fraternity rush, only to learn that it's disoriented, too. Under the dubious leadership of temporary song leader Paul Simms, the brothers learned songs and other chants which extended beyond rush and became an obsession, almost equaling that of another house at Denison.

As is traditional at Phi Gam, we made our usual attempts to make friends and influence people in our environment, i.e., the professors, administration, and that which we hold so dearly, the National. As is traditional, we failed, although it was fun trying. And in accordance with said endeavor, a few of the brothers in the social sciences successfully perpetrated with surprisingly minimal effort the Great Psychedelic Myth, rivalled only by its counterpart on the national scene—The Great Banana Hoax.

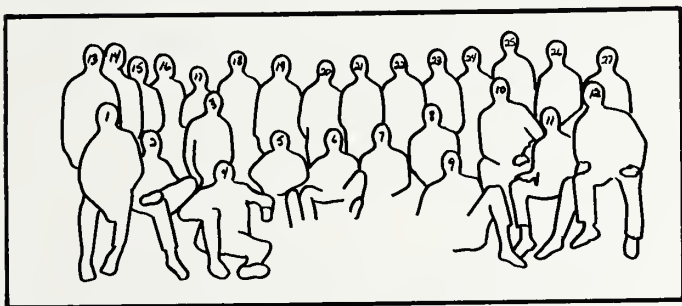

Realizing the perils of winter, President "Mad Jack" Wyant (who incidentally is no longer mad) successfully led us into the spring, as he was hoping that the "New Adee" would not fall off the house and onto the football field. New Adee terrorists under the adroit guidance of Thor, Hondo, and occasional visitor Rollie aided in this cause. Also, the brothers directed their attention to the Big Red basketball team, which was a source of pride for us and tri-captain brother Karl Bolstad, who according to rumor is pinned.

With the advent of spring, grass is again growing at Fijiland, although this time it is being cut with a lawn mower. Over our heads are black clouds indicating the disequilibrium of the American scene and concern about the war. We proudly report that the Doves won in the all-house Dove-Hawk poll 30—14. Senioritis is extinct as seniors are questioning the validity of academic excellence in relation to marching and sharpshooting and are beginning to wonder what it's all about. Hopefully Purple Garter Party reaffirmed their faith.

In the middle of fraternity row, amid the debris left from the construction and the Hell's Angels' party stands the house of Ohio Mu of Sigma Alpha Epsilon. With the new wing and pillared portico finally completed, we, the brothers of SAE, are once again enjoying the raptures of fraternal living and Hazel's cooking after a semester of life with Eat's Greasy Spoon, the Kirby Vacuum Cleaner Company, and the lines at Huffman Hall. Despite a semester of separation, however, our spirit is still high; our fraternal zeal, directed by Captain America and his morals committee of super-heroes and inspired by Harvey, the great invisible white rabbit who symbolizes the essence of fraternity to the brothers of Ohio Mu, is growing by leaps and bounds. Under the moral leadership and guidance of the Captain, the SAE's set a Denison academic record, ending the first semester with a house grade

point above 3.0. Max, our IM chairman who distinguished himself so greatly in the intramural wrestling tournament, is also a source of inspiration to SAE at Denison—he, this year, has received the WCTU safe-driving award and an American Automobile Association letter of commendation for recognition of red Volkswagens. As always, SAE varsity athletes have distinguished themselves on the playing fields for the Big Red. SAE's have also distinguished themselves in campus leadership—in fact, one SAE single-handedly initiated a campus reform movement by threatening Whistler Hospital with a malpractice suit. Thus, SAE continues and flourishes, setting an example of responsible fraternal living for the Denison community and for the outside world from Granville to the Eleventh Street Market.

Dr. A. Blair Knapp, president of Denison University from 1951 to 1968, was more than just a university president. He was a builder, a scholar, an administrator. But more than that, he took part in every aspect of campus life. The Adytum staff is here honoring the memory of one of the most important figures in Denison's history.

Homecoming 1967

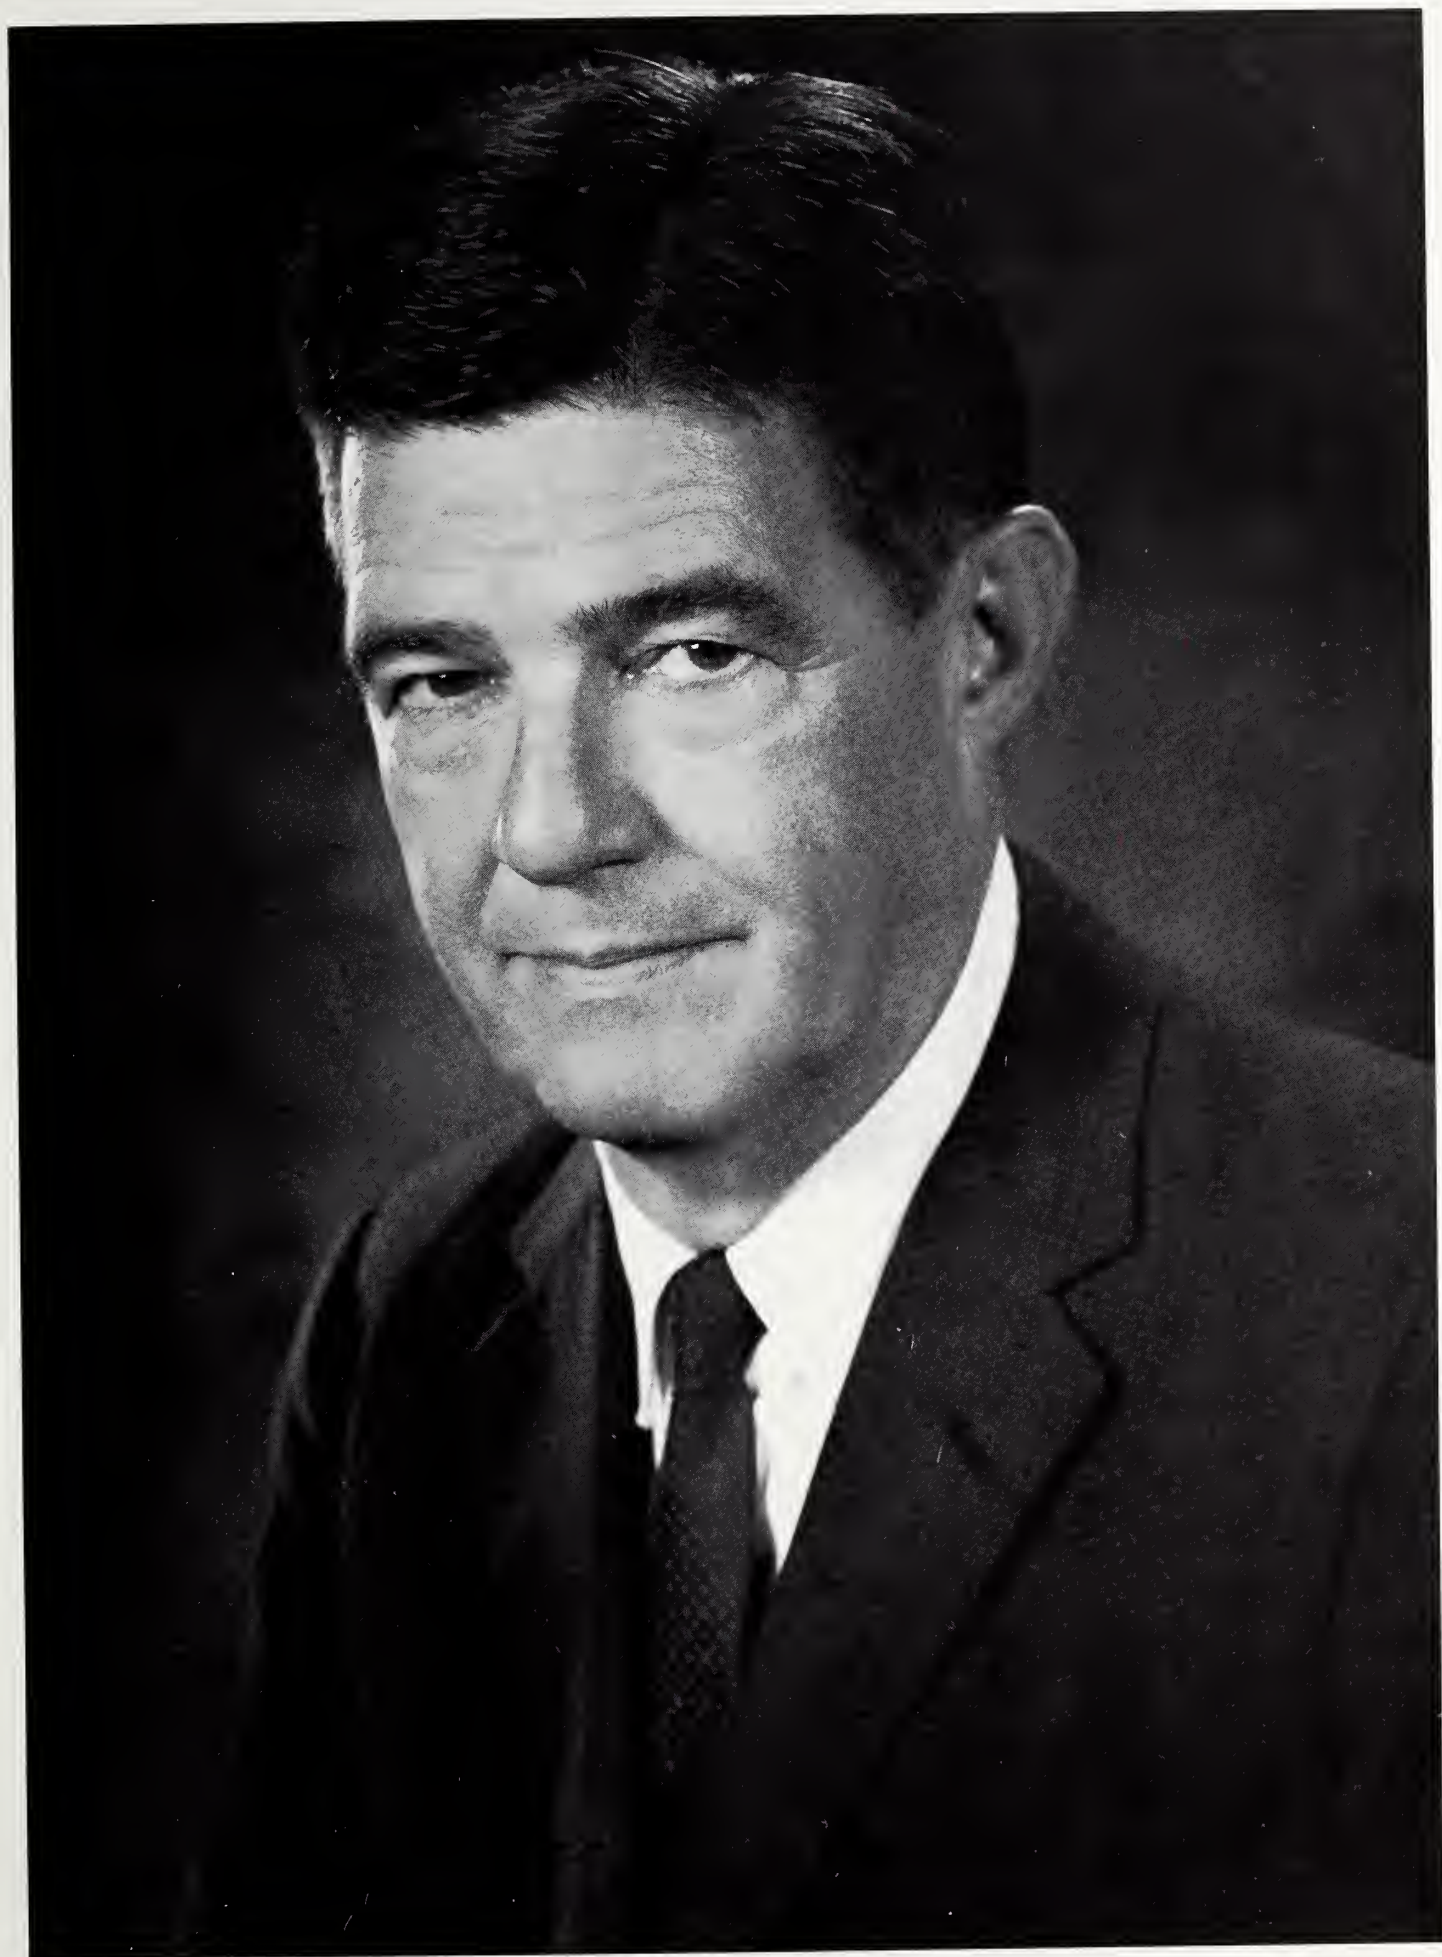

Realizations of Dreams

I wish to take this opportunity to express my thanks to all the members of my staff. Without them, this 1968 Adytum would not have been possible. My special thanks to Terri Petito, Joan Correll, and Bill Hausler, who helped me during the summer, especially around "panic time". My appreciation to Dick Bee of American Yearbook for his patience and help whenever they were needed.
